

CONTEST

Most Creative Fundraising Activity

Do you want to do your share for the Tree of Hope campaign? Do you think your school could stand out while doing a good deed? The CHU Dumont Foundation has decided to make things a little more interesting by creating a new contest just for YOU!

This year, every school that organizes a fundraising activity to benefit the Tree of Hope campaign will have the chance to win \$500! This amount can be used at the school's discretion to reward and thank the students for their efforts in making their activity a memorable one.

To enter, simply fill out the form below and tell us why you think your activity deserves to win the prize for Most Creative Fundraising Activity.

You have until December 13, 2024 to submit your entry. The winning school will be announced on December 19, 2024.
